

## eSafetyLine for July provides Four Toolbox Talks on Fire Prevention

Each month, the [special safety site available through NECA's website](#) addresses a specific topic and offers downloadable materials to enable you to provide related [weekly toolbox safety talks](#) \* to employees. This month's featured topic is **Fire Prevention** (as related to combustible liquids), and the accompanying toolbox talks focus on these four areas of concern: **(1) What "Combustible" Really Means**, **(2) Gasoline**, **(3) Proper Refueling Procedures** and **(4) Safety Containers**.

\* Click on the red numeral for the week (shown on the [eSafety Line calendar page](#)) to download the current employee training material. Click on the toolbox icon for the archive of previously issued toolbox talks.
